

**Because They Follow Your Every Move**

## Leading Remotely

Leading a team is calling forth leadership competencies that most of us have not been trained for. Often, we are not sure how or even whether we are maintaining effectiveness, or whether we can meet our goals.

This workshop demonstrates which indicators you can monitor as a leader, given that you may only connect remotely. You will gain confidence and a greater sense of agency and control when you learn effective tools and strategies to navigate this time of remote communication.

## Participants will learn to:

- Understand your role and what employees need when communicating virtually
- Identify indicators to measure effectiveness and performance
- How to maintain engagement remotely
- Barriers and Opportunities to leading Remotely
- How to lead team meetings remotely

## This course is designed for:

- New Managers with limited leadership training
- Leaders who want to expand their leadership competencies in leading remotely
- Managers working in new environments
- Leaders wishing to increase confidence levels in leading virtually
